Donate Used Books @ Local Independent Bookstore
In Northville!

The Winter Holidays have just ended. Let's look through those toy chests, closets, and nooks and crannies for gently used books that others less fortunate can enjoy. Bring these books in and receive 10% off the purchase of a new book.

We will collect books the months of January and February. We have a donation container in the store. The books will be donated to area shelters and a reading program in the area.

Thank you for sharing the gift of reading with others.
