Book Reviews:

A Woman's Treasury of Faith Published by Family Christian Press:

“In Quietness and Trust
Is your strength.” Isaiah 30:15 NASB

We all need inspiration to get through life's challenges that inevitably come our way. My mother provided me this book that is a quick reference when one of those challenges finds its way to my address. Sixteen compact sections comprise this book. Each section title begins with Faith. Is this by accident or divine planning? Faith and Trust is name of the beginning chapter. Two quotes, in particular, are worth sharing here:

“When the train goes through a tunnel and the world becomes dark, do you jump out? Of course not. You sit still and trust the engineer to get you through. **Corrie ten Boom**

“ Since we're only human, understanding God is out of the question. But trusting him is not.”
Marie T. Freeman

Faith and Belief:

How many times have you shared with your friend or family member, “You just have to believe that it will happen for you.”

“All things are possible
for the one who believes.” Mark 9:23 NCV

“Faith sees the invisible,
Believes the unbelievable,
And receives the impossible. **Corrie ten Boom**

While I could go on and on about the scripture and quotes in the book, I will not spoil it for you. It is sufficient to say that when you need a book to pick you up and to remind you of what is important, this is one book that will provide some inspiration, put a smile on your face, and allow you to fight the good fight.
