December 2007
Book Blurb™

Our feature this month, **This Small Babe** is by Jann W. Martin.

The book tells the story of Jesus in the manger from the perspective of the little girl of the Inn keeper. What a timely book to have this month. This is an opportunity to share this with your child at Christmas time. We featured Mrs. Martin at our December 7, First Friday Gallery Walk.

This book has something for everyone. It is rated **SE** for **Spiritual Education**.
