Jan 2008 Book Blurb™

We celebrate Michigan author Mark J. Davio. His book, **Seasons of The Heart**, is a collection of poems. There is quite a variety in the book from which to choose. Mark signed his poetry book December 6 during Girls Night Out last year. Here is a part of one poem by Mark:

My BEST Friend

**IF friendship is like a spider's web;
OURS would be the strongest.**

**IF friendship is a two way street;
OURS would be the widest.**

**IF friendship is nutritious;
OURS would be the healthiest.**

**IF friendship is love without strings;
OURS would be wireless.**
