March 2008 Book Blurb™

We celebrate Michigan author Sandra Epps. Her book, *Imani Has The Most Exciting Dream!* This book is about a 6 year old that has to face her mom getting sick with Lupus. It is with courage and spirit that this 6 year old child faces this family situation. With time, medication, and prayer, Imani and her mom are reunited. Just a feel good book that is enjoyable. Please come to our March 7 First Friday Gallery Walk to meet the author, have your face painted, and receive an autographed book!

Please stop by our store to purchase this \$14.95 book that you can enjoy reading to your child or by yourself. Rated **I** for Inspirational.
